## **Independent Auditor's Report**

To the Board of Directors  
**Magis Americas, Inc.**

### **Opinion**

We have audited the accompanying financial statements of **Magis Americas, Inc.** (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Magis Americas, Inc.** as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Magis Americas, Inc.** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Magis Americas, Inc.'s** ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Board of Directors  
**Magis Americas, Inc.**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Magis Americas, Inc.'s** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Magis Americas, Inc.'s** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### 1. Organization

Magis Americas, Inc. (Magis Americas or the Organization) was designated in December 2005 as a 501(c)(3) nonprofit organization. The mission of Magis Americas is to foster, support and accompany Jesuit partners in the Global South, especially in Latin America and the Caribbean, as they strive toward the construction of just, dignified and equitable societies. Magis Americas promotes sustainable and impactful responses to the injustices faced by those living at the margins. Revenue is generated through contributions and grants.

#### *Program descriptions*

Informed by the United Nations' Sustainable Development Goals and the Universal Apostolic Preferences of the Society of Jesus, Magis Americas envisions a world in which all people have their rights upheld, their dignity protected and the capacity to act as protagonists in their individual and communal development. This vision is implemented through mobilizing support for Jesuit education, migration, and ecology initiatives in the Global South, primarily Latin America and the Caribbean.

Magis Americas' international cooperation program works with overseas partners, primarily the Fe y Alegría network of schools and community centers, to identify local needs, develop proposals for funding, and submit these requests to US private donors, foundations, and corporations.

Projects and partnerships facilitated by Magis Americas are aimed at addressing at ensuring access to quality and inclusive public education, the right to migrate, and the protection of the environment.

### 2. Summary of significant accounting policies

#### **Basis of accounting**

The accompanying financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported in two categories as described below.

Net assets without donor restrictions are net assets available for use in general operations and not subject to donor restrictions.

Net assets with donor restrictions are net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

#### **Cash and cash equivalents**

For purposes of the statement of cash flows, the Organization considers all money market funds to be cash equivalents. Magis Americas is exposed to concentrations of credit and market risk through its cash and cash equivalents. Cash held in federally insured institutions may, at times, exceed federally insured limits. FDIC insurance on interest-bearing accounts is \$250,000 per depositor, per insured bank. At June 30, 2022, cash exceeded the FDIC limit by \$949,052. The Organization has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk.

See independent auditor's report.

### Receivables

Grants and contributions receivable are due in one year and are measured at net receivable value. Management considers past history, current economic conditions and overall viability of the third party to determine the potential for uncollectible accounts. No allowance for uncollectible accounts was recorded for the year ended June 30, 2022.

### Property

Property over \$500 and with an estimated useful life in excess of one year is capitalized at cost or its estimated value at the date of donation. Depreciation is computed using the straight-line method over the useful life of the asset, ranging from five to seven years. Website costs are amortized at cost using the straight-line basis over three years.

### Support and revenue recognition

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Sources of revenue from contracts with customers include an exchange element, and are generally derived from the Organization's special events and fiscal sponsorships. Tickets sold to the Organization's special events are recognized when the event takes place, at a point in time. Accordingly, tickets sold in advance are deferred until the event is held. Additional contract with customers include fiscal sponsorship fees. Magis Americas, Inc. receives contributions on behalf of other organizations and charges a fiscal sponsorship fee. Fees are recognized when the contributions are received, at a point in time.

In 2020, the Organization received a \$20,000 event sponsorship and \$54,883 in ticket sales for an event that was postponed due to COVID-19. As such, the prepaid sponsorship and tickets were recognized as a refundable advance and deferred event revenue, respectively, in the accompanying statement of financial position. The event was held during the subsequent year ended June 30, 2023, at which time all revenue was recognized.

### Compensated absences

Employees of Magis Americas are entitled to paid vacation depending on job classification, length of service and other factors. As of June 30, 2022, compensated absences of \$12,616 are included in accounts payable and accrued expenses in the accompanying statement of financial position.

### Other financial assets and liabilities

Financial assets with carrying values approximating fair value include cash and cash equivalents, grants and contributions receivable and deposits. Financial liabilities with carrying values approximating fair value include accounts payable and accrued expenses and refundable advances and deferred event revenue. The carrying value of these financial assets and liabilities approximates fair value due to their short maturities and any associated interest rates approximate current market rates.

### Functional classification of expenses

The costs of program and supporting services have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Expenses are charged to programs and supporting services based on specific identification or allocated based on time spent. Personnel, salary and benefits are allocated based on time spent.

See independent auditor's report.

## Notes to Financial Statements June 30, 2022

---

### Income taxes

Magis Americas, Inc. is exempt from federal and state income taxes (except taxes on unrelated business income) under Section 501(c)(3) of the Internal Revenue Code and is classified by the Internal Revenue Service as other than a private foundation.

The material jurisdictions subject to potential examination by taxing authorities include the U.S. and Virginia. Management does not believe that the ultimate outcome of any future examinations of open tax years will have a material impact on the Organization's results of operations. Tax years that remain subject to examination by the IRS are calendar years 2019, 2020, and fiscal years 2021 and 2022. The Organization changed its year end from December 31 to June 30 in 2021.

### Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of revenue and expenses during the reporting periods and reported amounts of assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

### Recently adopted accounting pronouncements

The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which requires not-for-profits to present contributed nonfinancial assets as a separate line item in the statement of activities and provide additional disclosures about contributions of nonfinancial assets. Contributed nonfinancial assets, commonly referred to as gifts-in-kind, include fixed assets (such as land, buildings and equipment), use of fixed assets or utilities, materials and supplies, intangible assets, services and unconditional promises of those assets. The ASU is effective for annual periods beginning after June 15, 2021 with a retroactive application. The Organization adopted the standard on July 1, 2021 with no impact on net assets.

### Upcoming accounting pronouncements

The FASB has issued ASU 2016-02, which requires lessees to recognize on the statement of financial position the assets and liabilities for the rights and obligations created by leases with terms greater than 12 months. ASU 2016-02 is effective for annual reporting periods beginning after December 15, 2021. The Organization plans to adopt the standard on its effective date, which for the Organization is July 1, 2022. Management is assessing the impact that the standard will have on the financial statements.

## 3. Property and equipment

Property and equipment consisted of the following at June 30, 2022:

		<u>Useful life</u>
Furniture and fixtures	\$ 10,676	5 - 7 years
Web development	17,000	3 years
	<u>27,676</u>	
Accumulated depreciation	(7,986)	
Accumulated amortization	(17,000)	
	<u>\$ 2,690</u>	

Depreciation and amortization expense for the year ended June 30, 2022 was \$964.

See independent auditor's report.

### 4. Liquidity and availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, include the following assets at June 30, 2022:

Cash and cash equivalents	\$ 1,013,053
Grants and contributions receivable	132,920
	<u>1,145,973</u>
Less amounts restricted by donors or time	<u>(896,781)</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$ 249,192</u>

As part of Magis Americas liquidity plan, excess cash is kept in the bank which can be used as needed.

### 5. Net assets with donor restrictions

Magis Americas, Inc. received contributions in support of specific programs during the year ended June 30, 2022. Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose as of June 30, 2022:

	<u>2021</u>	<u>Additions</u>	<u>Releases</u>	<u>2022</u>

### 6. Commitments

#### *Jesuit Conference*

Magis Americas signed a memorandum of agreement with the Jesuit Conference to provide human resources and payroll services at no cost through December 31, 2022. The memorandum was renewed subsequently through June 23, 2024.

#### *WeWork Metropolitan Square*

In June 2021, Magis Americas signed a 24 month lease agreement with We Work Metropolitan Square in Washington, D.C. for office space. The Organization paid \$7,950 as a deposit and payments are approximately \$3,000 per month. Rent expense for the year ended June 30, 2022 is \$26,589. For the remainder of the lease term, expected future minimum payments for the year ended June 30, 2023 total \$33,231.

See independent auditor's report.

### 7. Retirement plan

The Organization offers a 401(k) retirement plan to eligible employees. After the second anniversary of employment, Magis Americas contributes 8 percent of enrolled employees' annual base salary into the plan. Retirement plan expense was \$8,670 for the year ended June 30, 2022, and is included with personnel, salary and benefits on the accompanying statements of functional expenses.

### 8. Subsequent events

Magis Americas, Inc. assessed events occurring subsequent to June 30, 2022 through October 26, 2023, the date the financial statements were available to be issued, for potential recognition and disclosure in the financial statements. Subsequent to year end, a new lease for office space was signed with WeWork Midtown Center effective December 1, 2022 through June 30, 2025, with \$3,021 monthly rent, escalating 3.5% each subsequent year.

No other events occurred during that time period that would require adjustment to or disclosure in the financial statements.
